

## SEX EDUCATION FINAL PROJECT

**Students, your Sex Education presentation is your final project for US Health. Strive to hit this out of the park.**

**You will all be responsible for working on the presentation equally and presenting various slides individually. This project is worth 100pts with 75% of your grade going to the presentation and 25% of the grade to you...your tone, body language, delivery of information, class engagement etc.**

### **The Education of Sex and Your Body: All Groups**

- Male and Female Reproductive Systems
- Test Your Sexual Knowledge and Attitudes
- Gender Roles
- Sexual Decision Making and Your Personal Life Plan

### **Contraception & Abortion: Group 1, 2 and 5**

- Facts About Contraception
- Which Contraceptive Method Is Right for You and Your Partner?
- Facts About Methods of Abortion
- Your Position on the Legality and Morality of Abortion

### **Pregnancy and Childbirth: Group 3 and 4**
