Crito, 2

1. Read and annotate 46b-48c (p. 48-51). Mark whatever puzzles you, surprises you, seems important, or makes you think.
2. Using the text to provide evidence, discuss what the point of the “doctor/trainer” analogy in 47b is. Why does Socrates use this analogy? How is it relevant to the context and the discussion he and Crito are having? Finally, do you agree with Socrates’ analogy? Why or why not?
