### *Crito*, 6 (52e-54a)

#### Individual Work (Part I)

1. Reread the section (p. 55-57).
2. Identify **three** claims the laws of Athens make about Socrates' plan to escape. For each,
  - Recopy the sentence(s);
  - Explain, in your words, what the laws are saying; and
  - Explain whether the claim is true and/or convincing.

### **Partner Work**

3. With your partner, write an opening question that you would use to start a discussion on the reading with your class.

Why would this question be a good one to start a discussion with *your* class?

### **Individual Work (Part II)**

4. Should Socrates stay in prison or escape? Compose an argument based on the reasoning in *Crito* and your own thoughts. Include reasons and evidence, as well as a counterargument and response.
